EXPERIENCE

BRANDING

Araku Coffee

2025

Rebranding Araku Coffee to give it a new and fresh look. The main idea is to make the brand look simple, modern, and closer to nature. I want people to feel that this coffee is pure, organic, and made with care in India.

GRAPHIC DESIGNER

Flash Academy

2023

I am a graphic designer with experience in creating posters, logos, and rebranding designs. I also work on packaging design, making sure it looks attractive and communicates the idea clearly. I enjoy turning concepts into simple and effective designs. My work focuses on combining creativity with clarity to make designs that people remember
